Office IP: 192.168.10.45

Emergency Contact: Priya Sharma

Emergency Contact Email: priya.sharma@example.com

Incident Details

The employee reported receiving a suspicious phishing email on 14 August 2026 at 10:42 AM.

The suspicious email requested authentication credentials.

The security team isolated the affected workstation and reset the user's credentials.

Recommended Action

Enable MFA and conduct phishing awareness training.
